### 2024 MOFC Federal Candidate Survey

#### Question 1

Do you believe the Second Amendment of the Bill of Rights is a limitation on government, is an individual right that is protected by the Constitution of the United States of America, and that it is the duty of the United States Congress to protect that right?

#### Question 1 Answer

Yes

#### Question 2

If elected, would you OPPOSE and VOTE NO on legislation like S. 494/H.R. 715 that restricts law-abiding citizens from privately selling firearms to other law-abiding citizens without possessing a Federal Firearms License or submitting to a state or federal background check? #### Question 3

If elected, would you OPPOSE and VOTE NO on legislation like S. 247/H.R. 3018 that establishes 'Red Flag Gun Confiscation' in America, knowing that these proposals violate America's long enshrined due process rights by allowing the courts to order the confiscation of a gun owner's firearms before they've been convicted of a crime in a court of law?

#### Question 3 Answer

Yes

#### Question 4

If elected, would you OPPOSE and VOTE NO on legislation like S. 1108 (117th Congress) that makes it illegal for law-abiding citizens to own and possess firearms and firearms accessories such as standard 30-round magazines, firearms made from 80% lowers, suppressors and other accessories that are in common use, making firearms safer to use while not increasing violent crime?

Yes

### **Question 7**

Yes

### **Question 9**
